4D PATENTED MESSAGE MACHINE MAKES THE MESSAGE STRONGER AND DEEPER

4D Massage Technique focusing on the buttock massage, ensuring the massage rollers combine with the body curve perfectly. 4D Massage machine can realize multi-angle all-round intelligent massage.

4D massage roller is the newest high-tech product used on COMTEK massage chair. Cooperating with the ultra - long four dimensional curve rail, 4D massage machine can realize multi-angle-round intelligent massage, better fitting in human body massage demand comparing with the traditional 3D design. In that way, make up for the defect that traditional L track can not lie flat or extend and achieve the ultimate massage experience.

- Fatigue Recovery and Vigor Regulation ► Relax the mood and shape the body
- Ease up the muscle relax the skin ► Stretch the muscle and bones
- Ease the body aches and opening the meridians and collaterals

HOLOGRAPHIC FEEL MAKES THE MASSAGE MORE COMFORTABLE

With the full airbags surrounding massage and unique simulation palm airbags technique. a delicate and soft air pressure massage on the shoulder, waist, seat, calf and feet, promoting the blood circulation, relaxing the muscles and joints and eliminating fatigue.

HEATING BACK MASSAGE ROLLER, PERFECT MASSAGE

Pioneering heating massage roller technology, heating overall while the roller massage the shoulder, back, waist and buttocks. Combined with soles heating function. Forming the unique warm moxibustion system. Improve blood circulation, relieve fatigue effectively, greatly improved the massage effect.

ACUPOINT AND PULSE TRACKING MAKES THE MASSAGE MORE ACCURATE

Initiative body detection technique and acupoint pulse tracking theory according to thousand years chinese traditional medicine massage theory and body physical features, using the bionics intelligent detection system, Chair can detect the neck, shoulder, back, waist and buttock and provide a more accurate deeper massage and fixed point massage for the users in different height, bring the users a more professional traditional medicine experience.

STRETCH MASAGE, RELAX AND COMFORTABLE

Thai Massage technique, stretching the the whole body, thus the back muscles and ligaments get completely relax, more effectively relieve fatigue.

The 4D Massage machine push your body when air pressure massage on shoulders, effect chest stretch and body stretch function.

MICRO SPACE INTELLIGENT SLIDING FORWARD FUNCTION MAKE YOUR LIFE MORE BEAUTIFUL

New Micro Space intelligent sliding technology keeps only 8cm from the wall, slide forward automatically after switching on, saving space and displaying a perfect intelligent home concept.

NEW ZERO GRAVITY, IMPROVE SLEEPING QUALITY

Synchronization back rest, seat and leg rest by multi angle chargeable module, realizing best zero gravity massage experience. Creating a complete relax, natural and comfortable posture, Reducing heart and spine pressure, Increasing blood and oxygen supply for the brain, improving sleeping quality eliminating fatigue.

Zero Gravity is when your body under the most natural and complete relaxation poise, legs are higher than body, realizing 128 degree +- 7 degree ; it keeps body function in the best status.

MASTER TECHNIQUE. MORE PROFESSIONAL MASSAGE EXPERIENCE

Applied medicine massage patent, based on COMTEK fast reversal technique, except for the traditional mode of kneading, tapping, knocking & tapping, it adds special function of finger kneading and back rubbing, which can realize more exquisite and comfortable massage manipulation, and exceed hand massage experience.

KNEADING KNOCKING PRESSING TAPPING KNEAD & KONCK ROLLING STRETCH FINGER KNEAD BACK RUBBING

360 DEGREE WARM FOOT THERAPY

Based on the ordinary massage chair, a foot roller, and fast reversal technique, developed two-way rotary foot kneading technique. Realizing the sole function of kneading feet, work with feet heating. It can get best feet massage experience, good for health and longevity.

MUSIC MASSAGE RELIEVE AND RELAX : MAKE THE ENJOYMENT OF NATURE

Two high quality loudspeaker by the side of the head, which can broadcast MP3 music by bluetooth. It smooths your soul and relax your body.

NEW CURVE RAIL, SYNCHRONIZATION OF BACK AND BUTTOCKS

4D Curved Rail Technology, combining with 4D massage mechanical core patent, realizing multi angle integrated massage for back and buttocks. It have broken through traditional "L" Shape rail function which cannot realize flat lying and stretching and achieve best massage effect.

Pioneering L shape rail, multi angle integrated massage for back and buttocks

L shape mechanism gives n-depth massage according to body's shape chane. The mechanical core can reach the bottom of buttocks and thigh. Curve rail perfect match with human body which gives precise massage, stimulate acupoint on the back, relieve fatigue, recover physical fitness.
